Tax deductible contributions may also be mailed to: Rebuilding Together Dayton 1056 Brown Street Dayton OH 45409 937-229-4892 (phone) amy@rtdayton.org (email)

National Rebuilding Day – Rebuilding Together Dayton completed extensive work on 22 homes, 1 community center and in the Highview Hills neighborhood and Community Garden this past April. Over 1,100 volunteers, including the entire UD football team, came out in force to dedicate 4,800 hours to their neighbors in need. We would like to extend our most sincere gratitude to our fantastic sponsors and volunteer groups for their hard work!

Seasonal Revitalization Program — Our student volunteer groups have accomplished an incredible amount of work over the course of this summer. We had several groups who volunteered on a weekly basis as well as groups who dedicated up to an entire week of work! In addition to completing numerous projects on five homes, we were able to establish a partnership with Woodland Historic Cemetery as well as work in the Highview Hills Community Garden. All in all, the volunteers completed over 2,700 hours of service to their neighbors in Dayton this summer. Thank you to each of these volunteer groups for their hard work and dedication to improving the lives of Dayton homeowners! See sidebar for statistics.

Heroes at Home – We received a Heroes at Home grant through Sears to help a local veteran. His home has mold and mildew issues from a leaky roof. His doctor has informed him that if these problems cannot be repaired he will no longer be able to keep living in his home.

RTD Board Elections – We held elections during the Board Retreat in June led by facilitator Kathy Hollingsworth. Congratulations to Jack Lohbeck, elected as Board Chair, along with Marty Coates as Vice Chair.

Region 8 Board Retreat — Dayton hosted the Region 8 Board Retreat on June 11th for affiliates in Indiana, Ohio and Michigan. We also hosted a very successful Lead Safe Training on June 10th.

Rebuilding Day 2012 — Applications are ready for Rebuilding Day 2012! If you know a low-income senior who could use RTD's assistance on their home, please check our website and download an application. Completed applications will be due in November 2011.
